- Missing invoice?
- Overcharged?
- No meter reading?
- Problem with your direct debit?

One call to your dedicated relationship team and we'll sort it all for you.

About this illustration

This illustration is provided for reference only, for **EDF Energy's** full terms and conditions associated with this **Electricity** supply contract please refer to the dedicated **EDF Energy** supplier page on www.businessjuice.co.uk

Contract terms

The **Electricity** contract you have entered into is a legally binding one and obliges you to fulfill the terms and conditions of your contract **EDF Energy**. The full T&Cs can be found on the **EDF Energy** page on www.businessjuice.co.uk.

Cost comparison

The overall cost for comparison against your current contract takes into account the information you have told us during the sales process. Based on the annual consumption you have provided to us, the overall saving of this contract compared to **EDF Energy's** deemed rates is **£13,428**

What if you don't want this contract anymore?

There is no cooling off period with this contract, you have entered a legally binding **Electricity** supply contract with **EDF Energy** and are required to fulfill the terms and conditions of this contract for the full term. The term of this contract is **36** months commencing **01-Apr-15**.

Please note, in the event that you willfully prevent the successful commencement of this contract with **EDF Energy** you will be liable for the administration costs incurred with regards to setting up this contract. The administration fee applicable to this contract is **£250.00**. No administration fee is applicable where the contract successfully commences as per the terms of this agreement.

Terminating your existing contract

It is your responsibility to terminate your existing contract with **EDF Energy**. Failing to terminate your existing agreement could result in your business being exposed to punitive out of contract

rates. Visit the **EDF Energy** page on www.businessjuice.co.uk for more information.

What happens if you move premises?

You will owe all monies due until your occupation of the premise ceases. Once you have settled these and left the premises you will be deemed to have ceased responsibility for the contract and **EDF Energy** will continue to supply the meter for the new tenant. You will then be free to choose a new contract with Business Juice for your new premises.

Using Business Juice as an intermediary

We matched your criteria to the product offerings, portfolio requirements and prices available from the energy suppliers.

In using our services, the suppliers keep their costs of acquisition low and avoid the need to engage in costly sponsorship and advertising campaigns. Because we only present to suppliers those customers who fit their needs this in turn reduces the suppliers' risk and enables them to offer more competitive deals.

Whilst your business benefits directly from the potential saving of **£13,428** against **EDF Energy's** deemed rates, Business Juice may be paid by **EDF Energy** an amount of **£16.67** per month over the lifetime of this contract.

This potential payment is **EDF Energy's** cost of acquisition and is only applicable where the following conditions are met:

- The successful transfer of your supply to **EDF Energy**;
- Your completion of the full contract term;
- Your usage of the full amount of energy originally forecast;
- Your settlement of all invoices throughout the term of the contract in a timely manner and via the contracted payment method

Stay ahead of the market with Business Juice
